Charles Harris
Director of Athletics
Garner High School
Monroe, LA 71209

Dear Mr. Harris,

Please accept the attached résumé as an expression of my interest in the position of **Head Football Coach** at **Garner High School**. I am from the state of Mississippi where I graduated from the University of Southern Mississippi with my bachelor's degree. I obtained my master's degree from Greenville University and I am currently pursuing a Ed.S from Valdosta State University. My coaching experience spans more than fifteen years and includes multiple years of experience as a head coach coach at the high school level.

I spent this past season as the head football coach at Clarkston High School. I took over a program that needed a major overhaul. We implemented a strong behavior policy, instituted a tutoring and academic monitoring plan, increased fundraising by \$11,000 in just 4 months, and improved participation numbers.

During my coaching career, I have been involved with several programs in multiple sports as you will see by looking at my resume. I also have teaching experience, serving as a high school Health and Physical Education instructor. As a teacher and coach, my goal has always been to improve the program I'm working with and reach new levels of success, while helping to develop young people who are prepared to be successful in their pursuits after high school. Despite the successes on and off the field, the most enjoyable aspect of my career has been the lifelong relationships created with the student-athletes, coaches, teachers, and administrators that I've worked with.

Thank you for taking the time to consider my application. I welcome the opportunity to speak with you in person about my qualifications and experience in consideration for the position of **Head Football Coach**. Please feel free to contact any of my enclosed references. At your convenience, I am available for a phone call or video meeting to further discuss the position. I appreciate your time and look forward to speaking with you.

Sincerely,

Jimmy Williams
